(b) if so, the other details of amendments proposed to be made.

(c) whether the State Governmeots are proposed to be consulted before introducing this legislation:

(d) if so, the details thereof; and

(e) whether the legislation is likely to Jbe introduced during the Moasoon Ses sion of Parliament?

THE MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI YOGINDER K. ALAGH): (a) and (b). Yes, Sir. The Government has introduced the Electricity Laws (Amendment) Bill, 1997 in Parliament on 13th March, 1997. The Bill will provide an enabling frame work for private sector participation in transmission projects. The proposed amendments would facilitate the entry of private seetlor *ba* Ithe field of transmission oS transmission licencees. The Bill is imder the consideration of the Standing Committee on Energy

(c) and (d) Electricity being a concurrent subject, the Parliament can enact such legislation, Mtoreover, the Chief Ministers and Ministers of Power of the State Governments met under the Chair-mfinship of the Prime Minister on/ fll6.10.1996 and 3.12.1996 and adopted common Minimum National Action Plan for Power (CMNAPP). In the meeting it was resolved that the Govern--j(ment of India will carry out necessary amendments in relevant Acts/Rules to allow private participation in transmission.

(e) As stated in reply to part (a) the Bill has already been introduced during the Budget Session of the Parliament and is under consideration of Standing Committee on Energy.

Koda Ttaenual Power Station

2114. SHRI RAMDAS AGARWAL: Will the Minister of POWER be pleased
to state:

(a) whether any proposal from Government of Rajasthan has been received with reigard to Kota Thermal Power Station-Stage IV;

(b) if 'so, whether the techno-ecbnomic clearance has been accorded for this project by the CRA, if not, the reasons therefor; and

(c) whether Government of India are in favour of providing any financial assistance through internal resources or extemal a,gencies duifing 1997-98?

THE MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECH-NOLOGY AND THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI YOGINDER K. ALAGH): (a) and (b). A proposal to set up KotB) Thermal Power Station Stage fV (210 MW) was received in CEA in July, 1994 for techno-economic clearance. As the essential inputs had not been tied up the proposal was returned by CEA on 26-2-1996.

(c) The prtjjeclts of State Electricity Boards are normally funded by them or by the concerned State Governments. However, the proposals are recommended for seeking external assistance, prbvided they fulfil the eligibility criteria. Rajas-than Government has not asked for internal or external finance assistance for the project.
